RATIONALE

The following positions have been formulated to give insight into GCA's Standard of Dress. While not trying to be unkind to those who have adopted different standards, GCA has applied these guidelines in an effort to standardize and simplify our school dress code while following biblical principles.

While the Bible does not stipulate how we should dress, it does provide guiding principles. The expectations for GCA's Standard of Dress are designed to reflect three guiding principles: modesty, distinction, and appropriateness.

- Modesty: It is considered immodest to wear clothing that is revealing or tightfitting (I Tim. 2:9).
- Distinction: Boys and girls are to wear what is traditional American gender specific clothing (boys are not to wear skirts, etc.) (I Cor. 11:1-8; Deut. 22).
- Appropriateness: Setting and activity play a key role in what to wear to an event (I Cor. 14:40).

GCA has chosen "selective attire" for all students in grades K3 to 12. Doing this helps reduce the confusion (and thus, possible confrontation) between students, parents, and the school over our dress standards. We realize that parents are in a critical position of being able to regulate what their children wear to school. We hope that the concept of "streamlining" our dress standards (wearing only clothing from the approved manufacturer) will make this a much easier task.

The administration of Greenville Christian Academy reserves the right to determine that any article of clothing is inappropriate for school wear. This may include clothing items that have been purchased through Land's End, but are too tight, immodest, or worn inappropriately. In this case, students may be sent home to change, or parents may be contacted to bring a change of clothing.

9-12 FACIAL HAIR

The purpose of this policy is to promote conservative styles and professional appearance. Hair must be neatly combed and tapered and may not come over the ears, eyebrows, or collar; sideburns may not extend beyond the bottom of the ear. Men may choose to be clean shaven or maintain neatly trimmed facial hair.

All facial hair must be groomed to remain defined and of uniform length at all points of growth. Mustaches, goatees, and beards must be fully grown in (between ¼ and ½ inch in length) with

clean lines and trimmed an inch above the Adam's apple. Mustaches may not extend below the upper lip or below the corners of the mouth. Goatees and beards should be fully grown in under the bottom lip, symmetrical on both sides, and connected to an appropriately grown mustache. Facial hair must meet the guidelines listed in this policy throughout the year. Students not in compliance will be asked to modify their beard or hair accordingly. Those who cannot meet the standard will be asked to remain clean shaven.
